# EU Declaration of Conformity

| Product Range                                                                                                                            | Description                                                                       |
|------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|
| Yodalarm/Yodalight - <b>Y03</b> (YA30), <b>Y04</b> (YA/YL40), <b>Y05</b> (YA/YL50), <b>Y08</b> (YA/YL80) & <b>Y08S</b> (YA/YL80S) Series | Fire Alarm Sounders & Sounder/Beacon Combined Units<br>Building / CPR application |

Moflash Signalling Limited declares under its sole responsibility that the products identified herein conform to the applicable Union legislation listed below. Construction-product performance is declared under the applicable EN 54-3 CPR route and the relevant product Declaration(s) of Performance.

| Applicable Standards                    | Title                                                                                                                                                                                  |
|-----------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| EN IEC 61000-6-1: 2019                  | Electromagnetic compatibility (EMC). Generic standards. Immunity standard for residential, commercial and light-industrial environments.                                               |
| EN IEC 61000-6-2: 2019                  | Electromagnetic compatibility (EMC). Generic standards. Immunity standard for industrial environments.                                                                                 |
| EN IEC 61000-6-3: 2021                  | Electromagnetic compatibility (EMC). Generic standards. Emission standard for equipment in residential environments.                                                                   |
| EN IEC 61000-6-4: 2019                  | Electromagnetic compatibility (EMC). Generic standards. Emission standard for industrial environments.                                                                                 |
| EN 50130-4:2011 + A1:2014               | Alarm systems. Electromagnetic compatibility. Product family standard: Immunity requirements for components of fire, intruder, hold up, CCTV, access control and social alarm systems. |
| EN IEC 63000:2018                       | Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances.                                              |
| EN 60529:1992 + A1:2000 + A2:2013       | Degrees of protection provided by enclosures (IP Code).                                                                                                                                |
| EN 54-3:2001 + A1:2002 + A2:2006        | Fire detection and fire alarm systems - Part 3: Fire alarm devices - Sounders. Harmonised technical specification for the CPR declaration of performance.                              |
| EN 54-3:2014 + A1:2019                  | Fire detection and fire alarm systems - Part 3: Fire alarm devices - Sounders. Additional technical evaluation; not the harmonised CPR specification.                                  |
| EN IEC 62368-1:2020 + A11:2020          | Audio/video, information and communication technology equipment - Part 1: Safety requirements. Electrical product-safety assessment for applicable variants                            |
| CPR / EN 54-3 Certification             | Reference                                                                                                                                                                              |
| EU Notified Body                        | BSI Group The Netherlands B.V. (2797)                                                                                                                                                  |
| Certificate of Constancy of Performance | 2797 CPR 713892 - System 1                                                                                                                                                             |
| Scope note                              | EN 54-3 approval applies to the audible sounder function. The visual flasher/strobe function of YL variants is outside the scope of this EN 54-3 approval.                             |

Following the provisions of the below European Directives Instruments.

| European Directives                 | Title                                                                                                                                         |
|-------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Regulation (EU) 305/2011</b>     | Construction Products Regulation - existing EN 54-3 harmonised-standard route retained during the transition under Regulation (EU) 2024/3110. |
| <b>2014/30/EU</b>                   | The Electromagnetic Compatibility Regulations (EMC)                                                                                           |
| <b>2014/35/EU</b>                   | Low Voltage Directive (LVD) - applicable only to variants within the Directive voltage scope.                                                 |
| <b>2011/65/EU &amp; 2015/863/EU</b> | The Restriction of the Use of Certain Hazardous Substances (RoHS), as amended                                                                 |
| <b>2012/19/EU</b>                   | The Waste Electrical and Electronic Equipment Regulations (WEEE)                                                                              |
| <b>1907/2006</b>                    | The REACH etc. (Amendment etc.) (EU Exit) Regulations                                                                                         |

The products are, however, supplied on the Company's Terms and Conditions of Sale, and the limitations on liability provided for therein will apply notwithstanding this Certificate.
