

## EU Declaration of Conformity

| Product Range | Description                                                                                             |
|---------------|---------------------------------------------------------------------------------------------------------|
| X195 Range    | Industrial Xenon Beacon<br>X195-02WH-SB/X195-02WH: 15-28 VAC/DC;<br>X195-05WH-SB/X195-05WH: 180-265 VAC |

Moflash Signalling Limited declares under its sole responsibility that the products detailed herein are in conformity with the applicable legislation listed below and the relevant standards / technical specifications shown.

| Applicable Standards              | Title                                                                                          |
|-----------------------------------|------------------------------------------------------------------------------------------------|
| EN IEC 61000-6-2:2019             | EMC — Generic immunity standard for industrial environments.                                   |
| EN IEC 61000-6-4:2019             | EMC — Generic emission standard for industrial environments.                                   |
| EN IEC 60947-1:2021               | Low-voltage switchgear and controlgear — General rules.                                        |
| EN 60947-5-1:2017 + AC:2020-05    | Low-voltage switchgear and controlgear — Control circuit devices and switching elements.       |
| EN IEC 63000:2018                 | Technical documentation for assessment of electrical/electronic products with respect to RoHS. |
| EN 60529:1991 + A1:2000 + A2:2013 | Degrees of protection provided by enclosures (IP Code).                                        |

Following the provisions of the below Directives.

| European Directives | Title                                                                    |
|---------------------|--------------------------------------------------------------------------|
| 2014/30/EU          | Electromagnetic Compatibility Directive (EMC)                            |
| 2014/35/EU          | Low Voltage Directive (LVD) - applicable to in-scope rated variants only |
| 2011/65/EU          | Restriction of Hazardous Substances (RoHS), as amended                   |

The products are, however, supplied on the Company's Terms and Conditions of Sale, and the limitations on liability provided for therein will apply notwithstanding this Certificate.

Authorised Representative: Authorised Representative Service, Harcourt Centre, Block 4, Regus House, Harcourt Road, Dublin 2, D02 HW77, Ireland.

Signed for and on behalf of Moflash Signalling Limited.
